Keir Chapman
Web Designer/Developer

07443 068 168 ● keirchapman@hotmail.co.uk

Profile:

I am a self-motivated, passionate website designer and developer. I have over ten years' experience in building websites and have developed a broad skill set in design as well as in both front and backend development. Using my growing knowledge base I have built my own company (scriptedart.co.uk) creating websites and ecommerce stores and producing custom graphics and web app functionality for a range of local businesses.

Technical Skills: *(for examples of my abilities please visit keirchapman.co.uk)*

Software: Git Bash, Dreamweaver, Photoshop, Illustrator, After Affects, MS Office

Programming: HTML, CSS, PHP, Laravel, JavaScript, XML, JSON, JQuery Bootstrap framework,

CMS Platforms: WordPress, Open Cart.

Career Development:

Scripted Art – Website Designer/Developer   2011 – present

As a freelance website designer and developer I have become very good at communicating and understanding the requirements of the client. It has required me to become self-motivated and self-reliant in not only getting clients but giving them the high standard of customer service required to get more work through their recommendation. Other skills I have developed through this position include:

- Build customised websites to the highest specifications.
- Work to under pressure and to tight deadlines.
- Come up with solutions to seemingly intractable problems.
- Carry out routine site maintenance.
- Make recommendations on the use of new and emerging technologies.
- Organize and manage multiple priorities simultaneously.
- Communicate confidently.
- Drive projects forward and Work through a project life cycle.

Freelance Computer Tutoring - Repair   2009 – 2011

Teaching people of all ages and abilities gave me a great opportunity to improve my communication skills and understanding the needs of my clients. It required me to take another look at the applications they need to learn and in doing so improved my own knowledge.

Relevant Qualifications:

CICT Training   2011

ECDL Extra (British Computer Society Level 2)

Improving Productivity, Presentations, spreadsheets and word processing.

Eastbourne College of Art and Technology   1998-2000

Advanced G.N.V.Q in Information Technology

Application of number, Communications, Information Technology Level 3

Additional Skills:

I had previously been a chef for nine years. As a Chef I learnt to work effectively as a team, as a leader or by supporting co-workers in completing service on time. I learnt good communication skills with the public and colleagues and understood the importance of maintaining good morale when the pressure sets in.
